

DESCRITORES DA ÁREA TEMÁTICA 2 - MECANISMOS DE IMUNO-PATOGENICIDADE

Coordenador: Prof. José Luiz Modena (IB)

Estratégia de busca 01 Descritor principal: Zika Virus Combinações possíveis:	Estratégia de busca 02 Descritor principal: ZIKV Combinações possíveis:	Estratégia de busca 03 Descritor principal: Aedes aegypti Combinações possíveis:	Estratégia de busca 04 Descritor principal: Chikungunya Virus Combinações possíveis:	Estratégia de busca 05 Descritor principal: Guillain-Barre Syndrome Combinações possíveis:
Zika virus and Immunology	ZIKV and Immunology	Aedes aegypti and Immunology	Chikungunya Virus and Immunology	Guillain-Barre Syndrome and Immunology
Zika virus and Serology	ZIKV and Serology	Aedes aegypti and Serology	Chikungunya Virus and Serology	Guillain-Barre Syndrome and Serology
Zika virus and Immunopathology	ZIKV and Immunopathology	Aedes aegypti and Immunopathology	Chikungunya Virus and Immunopathology	Guillain-Barre Syndrome and Immunopathology
Zika virus and Infectious diseases	ZIKV and Infectious diseases	Aedes aegypti and Infectious diseases	Chikungunya Virus and Infectious diseases	Guillain-Barre Syndrome and Infectious diseases
Zika virus and Immune response	ZIKV and Immune response	Aedes aegypti and Immune response	Chikungunya Virus and Immune response	Guillain-Barre Syndrome and Immune response
Zika virus and Viral infections	ZIKV and Viral infections	Aedes aegypti and Viral infections	Chikungunya Virus and Viral infections	Guillain-Barre Syndrome and Viral infections
Zika virus and T lymphocytes	ZIKV and T lymphocytes	Aedes aegypti and T lymphocytes	Chikungunya Virus and T lymphocytes	Guillain-Barre Syndrome and T lymphocytes
Zika virus and Antibodies	ZIKV and Antibodies	Aedes aegypti and Antibodies	Chikungunya Virus and Antibodies	Guillain-Barre Syndrome and Antibodies
Zika virus and Inflammation	ZIKV and Inflammation	Aedes aegypti and Inflammation	Chikungunya Virus and Inflammation	Guillain-Barre Syndrome and Inflammation
Zika virus and Cytokines	ZIKV and Cytokines	Aedes aegypti and Cytokines	Chikungunya Virus and Cytokines	Guillain-Barre Syndrome and Cytokines
Zika virus and Autoimmunity	ZIKV and Autoimmunity	Aedes aegypti and Autoimmunity	Chikungunya Virus and Autoimmunity	Guillain-Barre Syndrome and Autoimmunity
